

# U. S. NAVAL PLANE CROSSES ATLANTIC

## NC-4 SWEEPS INTO HARBOR AT LISBON

### Blazes Way of First Air Trail to Eastern Hemisphere

WASHINGTON, May 27.—Blazing the way of the first air trail from the western to the eastern hemisphere, the United States Navy seaplane NC-4, under Lieutenant Commander Albert Cushing Read, swept into the harbor at Lisbon, Portugal today, the first ship of any kind to have crossed the Atlantic ocean under its own power and thru its natural element.

### Maintain 80 Knot Speed.

Taking the air at Ponta del Gada, Azores at 6:15 a. m. Washington time, on the last leg of the voyage from Rockaway Beach, Long Island, to Plymouth, England, the NC-4 covered the 800 miles in 9 hours and 43 minutes, maintaining an average speed of better than 80 knots an hour. The total elapsed flying time from Newfoundland to Lisbon was 26 hours and 41 minutes.

At the first opportunity the big plane will continue to Plymouth, 775 nautical miles to the north. Possibly Commander Read can start tomorrow.

To the navy department however, it makes little difference when he completes the journey. The great object of all the effort lavished on the undertaking—navigation of a seaplane across the ocean thru the air—has been accomplished.

### Delay Due to Weather

Naval officials emphasized that the long delay at the Azores was due to the weather and to no weakness of the machine or its daring crew, nor to any of the carefully laid plans of the department to guide the flyers to their destination. The fourteen destroyers strung from Ponta del Gada to Lisbon reported with machine-like precision today as the flight progressed. The plane was never off its course and there was no moment when officials in Washington did not know to within a few miles where it was in the air.

To maintain adequate communication for this stage of the journey the destroyers stuck to their posts after the flying boat had passed, relaying back to Ponta del Gada reports from ships further eastward. The chain was not broken until after the night near Rochester at Lisbon.

For the next few hundred miles of his epoch-making journey, Commander Read and his crew will be within sight of the Portuguese coast in the sweep northward. Skirting the coast of Cape Finisterre, they will head out across the Bay of Biscay to sight Brest the most westerly point of France, thence direct to Plymouth. The destroyers that will guide them across the bay were already in position tonight provided with the flares and bombs that have made the trip safe thus far except the fog that forced the other two machines of the seaplane division, the NC-1 and NC-3, off of the flight after they had safely negotiated virtually the entire distance from Newfoundland to the Azores.

Commander Read had with him on the flight to Lisbon the same crew as that which left Newfoundland on the NC-4 on May 16. Lieutenants E. F. Stages, of the coast guard, and W. K. Hinton, were the pilot with Ensign R. C. Ridd as radio operator and Chir Machinists Mate E. S. Rhodes as reserve pilot engineer. The crew was met at Lisbon by most members of the crews of the NC-1 and NC-3 who had preceded them on a destroyer.

**Wind Helps Plane.** The chart of the flight as shown by the reports of the station ship destroyers on the NC-4's progress today, shows how the winds helped her along. At times Commander Read's ship apparently was whirling thru the air at a 90 knot clip; again her speed fell off to less than 60 only to pick up again as she reached the zone of influence of other breeze overtook and passed winds that stirred the waters about Ponta del Gada the day before preventing an earlier start.

Official word of the arrival of the plane at Lisbon reached the navy department first thru a dispatch from Brest, France, sent by Rear-Admiral Halstead, commander of the American naval forces in French waters.

The message was received at the Otter Cliffs, Maine, station and relayed to Washington.

Immediately Secretary Daniels cabled congratulations of the department to Commander Read. The secretary also sent a cable to

## Plan To Build Naval Reserve Officer Corps

WASHINGTON, May 27.—Every university and college in the country will be given an opportunity to co-operate in building up a naval reserve officer corps under a plan being developed by Assistant Secretary of the Navy Roosevelt, details of which were made public today. The scheme contemplates a four year course in nautical subjects, augmented by several months of post graduate work at the naval academy. The United States now has an adequate naval reserve force, numbering about 300,000 officers and enlisted men highly efficient as the result of two years of war service. Every effort will be made it was said at the navy department to keep the permanent reserve force around the 150,000 mark and to bring the best class of young men into it.

**Enroll For Four Years.** As proposed the plan is to enroll college freshmen who desire to take the course, for four years. During the first school year the navy department would recommend a course of study along naval lines in connection with the regular college work including physical training. The work would be under the direct supervision of the college authorities and the commandant of the naval district. At the end of the freshman term members of the training corps would go to camp for six or eight weeks where they would be given a rigid course of practical instruction in marine subjects, military drill and physical exercises. They would be furnished with clothing, food and lodging and nominal pay. During the second school year an advanced course in navigation, higher mathematics and astronomy, international law and naval strategy would be studied and at the end of that and the third school year the embryo officers would be taken aboard warships for six or eight weeks.

Upon graduating from college, members of the corps who had completed the course satisfactorily would be sent to the naval academy for two months of post graduate work along general lines, the government paying all expenses and a salary. Then the successful candidates would be commissioned as ensigns in the reserve and sent to civil life under no obligation to the government except a pledge to serve as officers in emergency and to keep in touch with naval department.

**To Send Squadrons Abroad.** In order to make the course attractive the tentative plan is to send the training squadrons abroad each summer so the students may study foreign navies. On these cruises the reservists would be assigned second class, would be given an opportunity to advance through the various non-commissioned grades and would be paid accordingly.

**REPORTS CONDITION OF STATE BANKS.** SPRINGFIELD, Ill., May 27.—The total resources on May 12 of the 893 state banks of Illinois was \$1,535,167,704, an increase over March 4th, when there were \$69 banks, of \$70,366,834, according to the statement of the condition of state banks which was given out here late today by Auditor Andrew Russell.

The increase in the number of banks is said to be due to a number of private banks changing to state banks under the law passed by the last general assembly which provided that all private banks must become state banks by January 1, 1921.

The loans and discounts on May 12 were \$850,113,404, an increase of \$56,182,948 over March 4. The total capital, surplus, contingent fund and undivided profits on May 12 was \$191,484,913, an increase of \$5,059,694. The total deposits, including due to banks was \$1,276,478,876, an increase of \$60,760,655 in two months.

The total cash and due from banks was \$234,971,630, an increase of \$39,763,533 during the two months.

**TAKE UP AGRICULTURAL BILL.** Washington, May 27.—The agricultural bill carrying \$32,628,000 and a rider for the repeal of the daylight saving act, the second Sunday after the measure is signed by President Wilson was before the house today.

The senate was idle, having adjourned yesterday until Wednesday.

**ITALIANS RE-EMBARK.** Paris, May 27.—(By The Associated Press.)—The Italian troops who occupied Smyrna, 50 miles southeast of Smyrna, Asia Minor, have re-embarked on their transports. They have turned over the control to Turkish military authorities.

## NAVY ABANDONS 'SECOND TO NONE' FLEET POLICY

### Daniels Recommends 1919 Building Program be Given Up

WASHINGTON, May 27.—The policy of the navy department for a fleet "second to none in the world" has been temporarily abandoned.

Secretary Daniels, appearing before the house naval affairs committee today to outline the needs of his department for the next fiscal year, recommended that the entire 1919 three year building program of ten battleships and ten battle cruisers be abandoned, saying that the trend of the world towards universal peace and the operation of the proposed league of nations made competition for supremacy of the seas no longer necessary.

### Duty to Show Faith.

The naval secretary asserted that as the United States had taken a foremost part in promoting the league of nations plan, it would be this nation's duty to show faith in the covenant by refusing to authorize further large additions to the sea forces.

Work on the 1919 program he said, would be completed as soon as possible, but the 1919 program which it is estimated would involve an expenditure of more than a billion dollars, should be "wiped off the slate."

"There can be no half way ground," he told the committee which will initiate all naval legislation. "Either we must have the league to safeguard the interests of every nation, or the biggest navy in the world."

### Gives Reason for Change.

Explaining the reasons for the navy department's change of policy, Secretary Daniels said that when he appeared before the committee last December and urged additional ship construction, the associated governments had not begun consideration of a league of nations plan and conditions made it necessary that the United States should not be caught again as unprepared as it was at the outbreak of the war.

"But since then," he said, "the covenant has been drafted and a new era for the world has begun. Peace will take the place of bloodshed. It will be far best for the interests of all nations that the United States should set a precedent by stopping where it is."

Secretary Daniels said there probably were several reasons why Great Britain had not gone further with its building program.

"Some of the statesmen with whom I talked during my recent visit to Europe," he said, "that when the league of nations is established there will be no reason for expending large sums for warships. They believe Great Britain should give attention to changing construction. They are changing ships in the matter of quarters, enlisted men and they are giving more and more consideration to the men."

Mr. Daniels gave the committee a detailed account of his trip to Europe and discussed submarine warfare at some length. He praised the debarcation camp at Brest and told of efforts to get additional shipping for the return of troops.

**Discuss Mine Barrage.** There was a general discussion of the North Sea mine barrage with Rear Admiral Earle, chief of the bureau of ordinance, giving technical description of the mines and the method of planting them. Secretary Daniels told of the effect of the barrage on the morale of the submarine crews. Representative Kelly, Republican of Michigan, asked the secretary if the submarine was "going or coming."

"That is a hard question," replied Mr. Daniels. "I think some of the large nations would like to have the submarine declared a nuisance."

"I hope this never will be so far as we are concerned," said Representative Hicks, Republican of New York, "for it may be our principal method of defense."

The secretary said the navy ought to have a training station in southern California.

The weather alone made it desirable, he said, adding that it took a million dollars worth of coal to heat the naval training station at Great Lakes last year.

## GOP Re-Adopts End Efforts To Get Passports For Irishmen

WASHINGTON, May 27.—Election by the senate tomorrow of Senators Penrose, Pennsylvania and Warren, Wyoming as chairmen of the finance and appropriations committees, respectively is regarded certain as a result of the open conference today of Republican senators. The Progressives led by Senator Borah Idaho, were routed by a vote of 34 to 8, in their effort to supplant Senator Penrose and in private statements later agreed that their fight would not be taken to the senate floor.

Republican Leader Lodge plans to present in the senate tomorrow the Republican committee assignments with every prospect of a solid vote of the Republican majority for their adoption. The committee nominations are to be made en masse but the Republican plan of avoiding a separate vote for chairmanships required by senate rules, was threatened tonight by opposition of the Democrats who were said to be prepared to demand separate votes on the chairmanships so as to require the progressives to record themselves squarely on Senators Penrose and Warren.

At the Republican conference today, Senator Borah made the principal address in criticism of Senator Penrose, who was not present, declaring that the Progressive's opposition was not personal but based on Mr. Penrose's views on finance and taxation. Senator Kenyon of Iowa also spoke briefly against the Pennsylvania senator.

Senators Spencer, Missouri and Gronna, North Dakota, the only other speakers, urged party solidarity in organizing the senate declaring financial questions were not involved in partisan committee organization.

The motion by Senator Borah to strike Mr. Penrose's name from the list as chairman of the finance committee was supported by Senators Capper, Kansas, Cummins, Iowa, Johnson, California, Kenyon, Iowa, Lenroot, Wisconsin, McCormick, Illinois, McNary, Oregon and Borah. Senators who have been opposing Senators Penrose and Warren and who were absent were: Jones, Washington, Kellogg, Minnesota and Norris, Nebraska.

Other absentees were Ball, Delaware, Curtis, Kansas, La Follette, Wisconsin and Penrose. With rejection of Senator Borah's motion the Progressives did not press their opposition to Senator Warren and the committee schedule, approved at yesterday's conference was re-adopted without a roll call.

**REPORT BOLSHEVIK LEAVING PETROGRAD.** STOCKHOLM, May 27.—(By The Associated Press.)—The sound of heavy bombardment has been heard within the last few days in the direction of Petrograd and Kronstadt, according to advices received from Viborg.

The advices report a panic among the Bolshevik leaders in Petrograd, a number of whom, it is asserted, have fled with state funds.

Petrograd, according to the report, is in the hands of Chinese, Lett and Finnish Reds, who are said to have mastered the soviet authorities after heavy street fighting. Workmen are patrolling the workmen's district to prevent the Chinese from pillaging.

The Bolsheviks have placarded the city threatening to execute the Bourgeois class if they are compelled to leave the former capital.

**ARREST BANK HEAD.** Sioux Falls, S. D., May 27.—Charged with absconding with about \$75,000 from a Carroll, Iowa, bank of which he was president up to a short while ago, John Roelofsma, was arrested here today. Roelofsma was connected with the bank up to short while ago. The shortage was discovered by state bank examiners shortly after his disappearance.

He is in the county jail waiting the arrival of the sheriff of Carroll.

**FORTY PERISH IN FIRE.** London, May 27.—A building used as a barracks by the occupation troops at Ludwigsafen has been destroyed by fire. Forty soldiers perished, and a hundred were injured, according to a Central News dispatch from Berlin, via Copenhagen.

**COMMISSION TO SETTLE QUESTION.** Copenhagen, May 26.—Premier Paderewski of Poland has arranged with President Masaryk of Czechoslovakia, according to a dispatch from Prague, that the Teschen question, which has caused much difficulty between Poland and Czechoslovakia, shall be settled by a Polish-Czech commission, which will sit at Cracow.

**JENSEN VICTOR.** Winona, May 27.—Thos. Jensen, Winona naval wrestler was the victor in two straight falls over Irish O'Donnell of Rock Island, Ill., here tonight.

## WELCOME FIRST CONTINGENT OF 33D DIVISION

### Million People Turn Out in Chicago—Feast Fighters

CHICAGO, May 27.—Nearly one million persons welcomed the first contingent of more than 6,000 men of the 33d division, composed of former Illinois National Guardsmen, home from war today in the greatest demonstration of greeting the city or state ever knew. The million, according to estimates, swarmed around the railroad stations, along Michigan avenue for a dozen blocks and thronged Grant Park, where the relatives' reception was staged, with skyscraper windows filled with heads and waving flags, pennants and streamers. Tonight the troops were at Camp Grant for demobilization.

Governor Lowden and Major General Wood and their staffs and state officials and welcoming officials, and Mayor Thompson and city officials reviewed the troops on parade from two different stands.

After the parade the fighters were feasted in the big hotels and while flower girls strewn the "marchers" way with blossoms, they were entertained by theatrical and special talent.

The governor and Mrs. Lowden held a reception at the Blackstone Hotel where state officials and army officers and political leaders and prominent civilians met in an informal social way. Then the troops marched thru the streets decorated with the division's colors of gold and black, to the railway stations where they boarded their thirteen special trains for Camp Grant and mustering out.

Nearly every city in Illinois sent delegations to Chicago today to join in the welcome to the thirty-third division. Every train from down-state arriving during the morning was crowded with out of town visitors. Hundreds of automobile parties came from central and northern sections of the state.

Among the cities represented were Springfield, East St. Louis, Peoria, Quincy, Aurora, Elgin, Rockford, Dixon, Galesburg, Waukegan, Freeport, Decatur, Danville, Centralia, Cairo, Kankakee, Jacksonville and Moline.

The delegation from Peoria was headed by Mayor Woodruff, D. F. Kinney, Mayor Harry M. Powell and Major H. S. Nelson. They were interested in 78 machine gun companies, C. 123d machine gun battalion.

Mayor Woodruff said that when the men from Peoria are mustered out of service a special train will take them home.

Among the men of the 132d Infantry were Sergeant Victor Peterson, Company H; Corporal Berger Lohman and Private J. R. Waterhouse, all of Chicago, who for their exploits were dubbed "the three musketeers," by a school teacher who fell in Forbes Wood last September. Their comrades told today how Lohman killed gunners and wrecked several machine gun nests and entered a German dugout all on the same night and returned with 47 prisoners. Waterhouse brought in twenty six prisoners, the same night and Peterson got a half dozen prisoners and a couple of machine guns. Lohman wore the Croix de Guerre, the legion of honor and the congressional medal of honor, but he said he would soon be looking for a "job" at his trade of painting.

Plans tonight turned toward the coming contingent of the division. The governor's welcoming committee received word that the next section of approximately 6,000 men could not be moved before Monday.

**SUSTAINS DEMURRER.** Chicago, May 27.—Federal Judge Carpenter today sustained the demurrer to the indictment of L. C. Russell, an I. W. W. who was charged with interfering with a prospective juror in the trial of ninety-seven I. W. W.s a year ago. The man did not become a juror and Russell had merely talked with his wife, it was shown. Russell, who had been held in default of \$20,000 since last May was released on his own recognizance. The district attorney will appeal to the supreme court.

**VOLIVA SUES WOMAN.** Chicago, May 27.—Miss Elizabeth Amend, who testified before the Illinois legislative committee investigating the Voliva administration as overseer of the Christian Catholic Apostolic Church of Zion City a week ago, was made defendant in a \$20,000 suit filed by Voliva. The latter's attorney said she had circulated a pamphlet attacking Voliva.

**HUNS TO SEND ANOTHER ECONOMIC NOTE.** BERLIN, Monday May 26.—(By The Associated Press.)—The German will send another note to Premier Clemenceau in connection with the economic terms of the peace treaty, the Vossische Zeitung says it learns officially.

The note will point out that the allied claim that more than 12,000,000 tons of shipping were destroyed by German submarines is not true, because more than half of the shipping was sunk by legal cruiser warfare.

The Germans, the paper adds, will also declare that the allied reply to the first German note on the economic terms shows a misunderstanding of the agricultural needs of Germany. Objection will also be made to the loss of coal which the treaty would impose on Germany.

**WELCOMES FIRST CONTINGENT OF 33D DIVISION.** CHICAGO, May 27.—(By The Associated Press.)—The efforts of ex-Governor Dunne of Illinois, Frank P. Walsh and Michael F. Ryan, representing various Irish societies in the United States to secure safe conduct for Edward De Valera, Arthur Griffith and Count Plunkett to come to Paris to present the Irish case to the peace conference ended today with a written communication from Secretary of State Lansing to Mr. Walsh. After acknowledging the original request, Secretary Lansing says:

"I immediately took steps to acquaint myself with the facts of the case which transpired before the matter was brought to my attention by your letter. I am informed that when the question of any proceeding with the British authorities with a view to procuring the safe conduct in question was first considered, every effort was made in an informal way to bring you into friendly touch with the British representatives here, although owing to the nature of the case it was not possible to treat the matter officially."

## Crowds Greet Hawker and Grieve in London

### Reply Will Be Presented to Allies Be-fore Tomorrow

LONDON, May 27.—[By The Associated Press.]—Harry Hawker and Lieut. Commander Mackenzie Grieve were given a remarkable reception on their arrival in London tonight from Northern Scotland where they were landed Monday morning after their unsuccessful attempt to fly across the Atlantic Ocean from New Foundland to Ireland in an airplane.

Such enthusiasm as was shown in the greetings of the two intrepid aviators probably never has been exceeded except in the times of coronations.

The crowds began gathering early in the afternoon along the route from the railway station to the Aero Club where Hawker and Grieve were formally welcomed on behalf of London. When the train pulled into the station the entire line over which the procession was to pass was jammed with cheering people.

Arriving in London, headed by an Australian band and a body of Australian troops and a large number of automobiles, Hawker and Grieve passed thru the densely packed streets on the way to the Aero Club. In the procession were the mayor and the councilors of St. Pancras and a deputation of the Royal Aero Club including General Branker, the Duke of Atholl and other famous aviators. Another delegation in the parade was composed of workers from the Sopwith works.

**Edinburgh Welcomes Airmen.** Edinburgh, Scotland, May 27.—Harry G. Hawker and Lieut. Commander Grieve who were rescued by the Danish Ship Mary after the airplane in which they were attempting to cross the Atlantic had alighted in mid-ocean, stopped here this morning. They were seized as they left the train and taken to the shoulders of a crowd which bore them to a hotel where they had breakfast. They were heartily cheered when their train left for London.

**Australians Proud.** Paris, May 26.—The joy of the Australian delegation at the peace conference over the rescue of Harry Hawker was expressed in a statement issued by Premier Hughes tonight.

"Australia, whose soldiers have done things the world will not forget, is proud of Harry Hawker and his Australian delegation," said the statement. "The flight was for the purpose of testing the ability of an airplane to cross a great space in a new way. Technically the airplane has yet to be proved, but Hawker's attempt has more than proved the ability of the men who operate those machines."

**Steiner Picks Up Plane.** St. Johns, May 27.—The Sopwith biplane in which Harry Hawker and Mackenzie Grieve attempted to fly across the Atlantic was picked up in latitude 49:40 north, longitude 29:03 west by the American Ship Lake Charlesville, according to a radio message received by the Furness Line Sackem and relayed here tonight.

**RUTH LAW TO TRY TRIP ACROSS ATLANTIC.** CHICAGO, May 26.—Ruth Law, aviatrix, announced here today that she plans to attempt a trans-Atlantic flight within six weeks. She will use a new Curtiss land bi-plane equipped with two Curtiss-Kirkham motors of 400 horse power each and will be accompanied by James Lamont, her mechanic. The machine is now being built for her by the Curtiss company, she says. She expects the United States navy to give her assistance as she may desire in making the flight.

"I'm not afraid to fly across the ocean," she said. "Take my word for it, I do not intend to commit suicide. I expect to make the journey without getting my feet wet, but I will wear a navy life saving suit as a precaution."

She spent several hours in Chicago enroute from New York to San Francisco. Recently she returned from the Philippines where she was pilot for the first postal airplane operated for the government. Before that she did some flying for the Japanese government.

**ARREST TWO CHILEAN GENERALS.** SANTIAGO, May 27.—Two generals of the Chilean army were arrested today and the arrest of three other army officers is expected tomorrow.

Dispatches from Santiago early this month said three generals and several other officers of the army had been placed on the retired list because of their attitude with relation to Bolshevism without having previously consulted with the government.

**WEATHER.** Unsettled weather Wednesday and Thursday, probably local showers in south and central portions; not much change in temperature.

**Temperatures.** The current, maximum and minimum temperatures as recorded Tuesday were:

## HUN COUNTER PROPOSALS TO TREATY READY

### Reply Will Be Presented to Allies Be-fore Tomorrow

AMSTERDAM, May 27.—A dispatch received here from Danzig states that the Belgian frontiers have been closed and that all Belgian soldiers have been recalled from leave. It is reported that general mobilization will be ordered at the termination of the period given the Germans to sign the treaty of peace.

[By The Associated Press.] Germany's counter proposals to the peace treaty of the allied and associated powers, comprising a volume of goodly proportions, are in readiness for presentation to the peace congress at Versailles. No official announcement has yet been made of the time when Count von Brockdorff-Rantzau will appear before the representatives of the victors in the war to make Germany's final plea for the amelioration of some of the conditions of the treaty which are declared to be too severe for fulfillment but the time cannot be extended beyond noon of Thursday.

Late dispatches from Berlin indicate that the German document is to contain manifold representations and arguments for a lessening of the severity of the terms not alone from the financial and economic standpoint, but also with regard to disarmament, both on land and sea, but a plea for mutualizing under the league of nations war craft and merchant shipping of the world's nation. Territorial relinquishments also are to be argued against.

Friday is to witness the receipt by the Austrians of the terms of the peace treaty that has been formulated for the former enemy of the allies. It previously had been believed the ceremony would not take place until next week.

In anticipation of the possibility of a declaration on the part of the Germans to sign the peace treaty, Marshal Foch the commander-in-chief of the allied and associated armies has made a further inspection of the occupied area in the west and its general vicinity and reported his observations to Minister of War Clemenceau.

The landing of American and British marines at Danzig probably indicates that another step to meet any eventuality has been taken.

The question whether the German plenipotentiaries will affix their signatures to the document is still a moot one in Germany. Confirmation has been received of the report that the allied and associated powers are to lend aid in supplies and money to Admiral Jolchak the anti-Bolshevik leader in Russia, conditional upon the establishment of a constituent assembly and a lawful government in his country.

A report from Viborg is to the effect that the Soviet authorities in Petrograd have been overthrown. There is no confirmation of the report.

**NAME HOUGH HEAD OF NORTHWESTERN U.** CHICAGO, May 27.—Dr. Lynde Harold Hough, author, lecturer, professor of historical theology, was elected president of Northwestern University today. The vote of the board of trustees was 24 to 8.

Dr. Hough is a bachelor, 43 years old and was born at Cadiz, Ohio. He is a graduate of Scio College.

He served sixteen years in the Methodist pastorate, chiefly at Brooklyn and Baltimore.

Dr. Hough will assume his new duties on September 1, after occupying the pulpit of the City Temple in London during August.

Mrs. Sarah J. Walker who died recently at her home in New York, is said to have been one of the most wealthy colored women in the United States, made her great fortune by the invention and sale of a preparation to take the kinks out of hair. She was formerly in the laundry business at St. Louis and was born of slave parents. She was a liberal contributor to many charities and very much interested in the Tuskegee Institute.

Contracts have been awarded for the building of a hard road between Peoria and Springfield. This is a Federal aid road and is to cost about \$28,000 a mile for the seventy miles. The House at Springfield has adopted an amendment to the state appropriations measure for the building of roads limiting the cost to not more than \$18,000 per mile. Mr. Bennett, who is at the head of the department that has to look after road building says that the roads cannot be built for the money so that while there are seventy millions available it may be some time before many miles of road will be built by the state.

multity to succeed Postmaster General Burleson. It is a certainty the management of postal affairs would not be impaired by the change.

Wireless telephones are the latest, having been used successfully at sea and at forest rangers' stations on the mountain peaks. In the west, the foresters use windmills to drive a dynamo that supplies the current. The telephone has long been the chief aid of the lookouts in fighting forest fires. Often when most needed the wires would be down, so the present wireless plan is considered much safer.

The financial plan being considered by Republican leaders is said to contemplate paying the expenses of the war within a generation, or at the rate of a billion dollars a year of the principal and nearly another billion of interest each year. Not much chance of reducing the H. C. L. at that rate.

In an effort to secure the services of a marshal city authorities of Earlville, Ill., are advertising for bids from persons desiring the office. Recently a night policeman was appointed, but up to the present city officials have failed to find anyone for the office of city marshal.

Organized labor will oppose the bill introduced by Senator Sadler to amend existing laws in order to enable the employment of convicts in the manufacture of automobile plates and sign posts for public highways, according to labor leaders. Under present statutes, convict labor can not be used to compete with free labor. It is contended that the making of automobile plates is a well organized and recognized trade. The Sadler bill went to the senate committee on community welfare.

## DEMOCRAT ADMITS WASTE.

Representative B. F. Welby of Ohio, a Democrat, seeing the Republicans all around him preparing to get after Democratic extravagance and waste in war expenditures, has decided to join them, and has, therefore, introduced a resolution for a sweeping investigation of "irregular and unlawful expenditures during the war." "Whereas," his resolution reads, "Congress appropriated \$1,524,304,758 for aeronautical purposes. Whereas, serious charges were filed in the report made by Charles E. Hughes, after an investigation under the direction of the president of the United States. Whereas, Col. E. A. Deeds had charge of all matters pertaining to aircraft production, and on August 28, 1917, informed the Secretary of War that he had made a bona fide transfer of all of his stock in certain corporations likely to receive large war contracts, when in truth and in fact the transfer was only made to his wife. Whereas, the report further shows that Col. Deeds' former business associates received large contracts for airplanes. And whereas, the report recommended that he be tried by court-martial. Therefore, he resolved that a non-partisan committee of eight members be appointed by the speaker to investigate and report all irregularities in the War and Navy Departments in the prosecution of the war."

## UNIVERSAL TRAINING

Julius Kahn, chairman of the House Committee on Military Affairs, who will have direction of military legislation in that branch of the present Congress, has returned from a trip to France believing, as he says, "more than ever before that our salvation lies in universal military training." It will be remembered that it was Mr. Kahn who, with large patriotism, took command of the situation in the last Congress, when the Democratic chairman of the Military Committee, Mr. Dent, failed to act and put through the conscription act and other military legislation necessary to the successful conduct of the war. The country supported the conscription law with remarkable unanimity, but whether it would be willing to accept universal military service as a permanent system, in time of peace, remains to be seen. There is much, however, to be said in favor of such a system, if rightly adapted to the needs and principles of a democracy that is unalterably opposed to wars of conquest. The war has taught us a severe lesson in the necessity of military preparedness. It would

be very foolish to return to the careless negligence of the past.

## OPPOSING HEALTH REGULATIONS.

The Brotherhood of Locomotive Engineers, representing about \$2,000 railroad engineers of the United States and Canada, are vigorously combating various legislative measures for compulsory health insurance now pending before the legislatures of Ohio, New York and other states.

Warren S. Stone, Grand Chief of this Organization and Chairman of the Social Insurance Department of The National Civic Federation, recently set forth some of the many reasons why this organization of locomotive engineers is opposing all forms of compulsory medical examinations and medical insurance under State or Federal authorization. "We do not want any such form of insurance," Mr. Stone declared. "There are many objections to these proposed efforts to secure legislative power for compulsory service by them when the public must pay."

"Our organization has for years been fighting this form of medical autocracy," added Mr. Stone. "I do not want any man sent to my house with power to enter and examine me or any of my friends. For some of these proposed laws, and all of them I think, the individual cannot in any way choose his physician, even if he wants one. Some doctor is selected to look over promiscuously some five hundred individuals who must submit to this encroachment on their personal rights without question. The whole thing is un-American to my sense of things, autocratic and useless."

## PESSIMISM.

This good old world's a daisy, a place that ought to charm; the fellow's surely crazy who's viewing with alarm. The human record teaches that doubts and fears are vain, that coming years are peaches, the future safe and sane. I hear the soreheads saying that anarchy is near, that mob law will be playing Old Ned within a year. Because some of these fellows kick up a row or two, these poor old grouchy koppers think anarchy's in view. Because, for our salvation, we blew in heaps of cash, the grouches think the nation will shortly go to smash. They always find it easy to dig up an excuse for forecasts dire and cheery, for turning teardrops loose. The grouch is never grateful for blessings he enjoys, but still kicks up a hateful amount of useless noise. He thinks 't would be a scandal to wear a hopeful smile, and searches with a candle, to find a jug of bile. Just now we should be cheerful and shedding glee and fun, since we have whipped the beefeul and most blame-worthy Hun. The troubles that confront us well solve, I'll bet a bone and so, till troubles hunt us, let's leave such things alone.

## HISTORICAL FLOWERS

Many years ago, the late Prof. J. B. Turner employed Wallace Cully annually to plow his orange plants, which took the best of teams and these Mr. Cully possessed. Being a long time friend of the Turner family, who resided at 1114 West College avenue, cultivated fine flowers. Among them, three varieties of peonies, red pink and cream color. Mr. Cully bought some roots and set them out at his farm, northeast of the city, and his daughter, Miss Eliza Cully, has one bush of the cream variety in full bloom at her home 1159 West Lafayette avenue.

**OBITUARY.**  
William P. Whorton was born near Concord Illinois, Feb. 17, 1881. Departed this life in Jacksonville, Ill., May 24, 1919. He was the youngest of five children of M. L. and Martha A. Whorton, both of whom, with one brother, Fielder L., and one sister, Louise L., wife of G. H. Nergenah, preceded him in death. He leaves beside two brothers, Grey, of Terrell, Texas, and James of White Hall, a wife and infant son of this city. After brief funeral services here Tuesday morning at 10 o'clock the remains were taken to Concord for a more extended service and burial at Concord cemetery.

## LITERBERRY MISSION CIRCLES MEET

Mrs. J. R. Liter, President, Had Charge of Meeting—Other Literberry News Notes.

Literberry, May 27.—The Mission Circle met on Friday afternoon at Sunshine cottage. Mrs. J. A. Liter, the efficient president, had charge of the meeting.

Opening song—"Are you one of the ninety and nine, or one that has wandered away?"

Mrs. Guy read Psalm 103. Prayer by Mrs. John Daniels. Song—"My Savior's Voice."

Each member was requested to tell something from memory, that had been learned from the mission books, of either the first, second or third years books.

Mrs. J. A. Liter told us all about the "Bishop's Conversion." We will just say, this was an M. E. bishop and not a Baptist.

Mrs. John Daniels recited almost all of the Mary Slessor book showing how carefully she had read and remembered it.

Mrs. C. A. Beavers spoke of the benefit derived from reading so many good mission books by so many different writers and so many different countries.

Mrs. McCarty told of the doubting man who went all the way to India just to see if the missionary lady sent from his church did really need all the money they had made up and sent to her, or in other words, to see what became of all the funds sent to foreign lands.

The doubting man came home a better Christian and told his people to send money, more money. A great deal more than they had ever sent before.

Mrs. Warren Daniels gave an outline of the book "Helping the Helpless," and then recited the second chapter, which contains twenty pages.

Mrs. John Guy gave a talk on missions in general and summed up by saying that the worst enemy to mission work is selfishness, and this evil is found in all churches and wherever one attempts to build up a mission society; self, when we conquer selfishness, mission work will make better progress.

Mildred Underbrink and Eleanor Guy sang a pretty "Swing Song" with Mrs. J. M. Daniels organist. "This was a good piece and the children sang well."

Closing song, "Take my yoke upon you."

Eight members were present. Mrs. Jesse Liter and Mrs. S. H. Crum were visitors.

Closing verse Psalms 2-8. Mrs. Baer and daughters of Chandlerville came down Sunday and spent the day with Mrs. Jennie McFarland and son John.

The Lowden sisters, Irene and Pauline of North Prairie, are spending their vacation in Literberry with Mrs. Walter Roach.

The Jordan sisters and Melvin Little to Jacksonville visited at Maple Mount between trains on Sunday.

Douglas Turley of Grace Chapel brought his force of men to Literberry depot Monday morning and unloaded a road grader, then took his men, Elmer Smith, Charlie Stanley, Howard and Guy McFadden and himself to W. W. Young's substantial dining room for dinner.

A coming business man is this: A bright eyed three year old boy came into his grandpa's store and asked for a nickel's worth of candy. His grandpa gave it to him and stood waiting for his pay. The boy's mother being present asked, "who is going to pay for the candy?" The little fellow said, "Grandpa, loan me a nickel." Of course he got the nickel, and turning it over several times in his hand he said, "I believe I'll bank this nickel, grandpa." Grandpa is wondering yet where his profit comes in on this trade.

Mr. and Mrs. John Becker and children of Alexander attended church Sunday at Literberry Baptist church.

Mrs. Monroe of Concord is staying with friends on East Capitol street for awhile.

**Attend Victory meeting, Centenary church, Wednesday evening.**

**THE HIGH SCHOOL PLAY.**  
Tomorrow evening the young people of the high school are to present a play, "Prince Chap," which will be amusing and interesting. It is a production that will appeal to almost any one and the boys and girls should have a full house. It will be at the David Prince gymnasium.

## WILL GIVE ASSISTANCE

After more than three months in the performance of official duties in other parts of this Internal Revenue district, Deputy Collector S. J. Tompkins, who is the local representative of Collector John L. Pickering, is again at home for the purpose of attending to any matters pertaining to his department in this territory.

For many decades the expenses of our government have been provided for largely through legislation which provided revenue sufficient to meet these needs. As everyone knows, the demand for money, with which to meet our greatly increased expenses of the past several years, made it imperative for Congress to provide more and greater sources of revenue than those on which we had been depending in times of peace.

There are many phases of the work in the Internal Revenue Service. Of course, the one thing uppermost in the minds of the people for the past several months, is the problem of making a full and proper report of income for the past year, and the payment of the Income Tax thereon.

However, there are many persons in the business world on whom falls the duty of the collection and payment of Special Taxes, which have been incorporated in the Revenue Act of 1918. In order to produce sufficient revenue to meet the needs of our government, Congress found it necessary to impose certain taxes on motor vehicles, pleasure boats, transportation, soft drink, initiations and dues, admissions and insurance, together with excise taxes on manufactured articles, such as candy, chewing gum, musical instruments, sporting goods, toilet goods, etc.

Many persons, whose duty it is to collect and pay to the Collector these special taxes, are not familiar with the law or the manner in which proper report shall be made. Mr. Tompkins will be glad to be of any service to any taxpayer desiring assistance or information along any of the lines just mentioned.

Penalties are imposed on such taxpayers who neglect to report or pay the tax due within the time prescribed by law. It is, therefore, to the interest of the general public that each one shall ascertain who is liable for such report or payment.

The fact that Collector Pickering has designated Jacksonville as the post of duty of one of his field deputies, is a matter that should be appreciated by those who need information along any line pertaining to the Internal Revenue Department of our Government.

## VICTORY SERVICE AT CENTENARY.

This evening instead of the usual prayer meeting a victory program will be given at Centenary church to which all members and friends of the church and also the general public are most cordially invited. This service will mark an important phase in the close of the great Centenary drive which has been so successful throughout the world and in this church.

A reader from the school of expression of Illinois Woman's College will appear on the program. Soloists from both of our colleges will sing. Other musical numbers will be given. Representative leaders of the church will make brief talks. The pastor will speak on "Eternity's Hall of Fame." Other features of interest will be provided for this victory service which promises to be one of the most significant occasions in the history of this church.

Preceding this service the Sunday school teachers and officers will hold their monthly luncheon and conference promptly at six o'clock. Then at 7:30 the victory program will begin. It will be held down stairs in the main Sunday school room. A rare season of inspiration and victorious enthusiasm is assured. Everybody welcome.

# Tire Rebuilding

## Just a Few Words About Auto Tires

When you feel that they are done for and have apparently served their purpose wouldn't it be gratifying to you to have an expert examine them and tell you frankly and conscientiously whether they are done for or still contain a lot of good mileage—it surely would. Eight out of ten tires that appear ready for the scrap heap can be brought back, put on the road again and will serve you from 3500 to 5000 more miles, yes and sometimes 8000. You may be skeptical about the claims we make about our Dri-Kure retreads but after the most exacting tests we have perfected and mastered the retreading art.

Our Dri-Kure retreads are no speculation but an investment which insures dividends in big mileage. Remember what goes into a tire determines what you get out of it. We use all the best materials and know how to use them.

Get our prices and you can readily see the saving of 40 to 60 per cent.

We would be pleased to have you express your tires to us or we will call and deliver tires anywhere in the city.

## NC-4 SWEEPS INTO HARBOR AT LISBON

(Continued from page one)

President Wilson at Paris. The message to Commander Read follows:

**Sends Congratulations.**  
"Lieutenant Commander Robert C. Read, Commanding NC-4 Seaplane:

"Care Rear-Admiral Plunkett: 'U. S. S. Rochester, Lisbon, Portugal.  
"The entire navy congratulates you and your fellow aviators on your epochal flight. The ocean has been spanned by the air and to the American navy goes the honor of making the first trans-Atlantic flight. We are all intensely proud of your achievement and thankful that it has been accomplished without mishap to anyone of the daring aviators who left our shores on the first air journey to Europe. To all of them and to you, all honor is due.  
"Josephus Daniels."

The cablegram from the secretary to President Wilson: "I know you will be delighted to learn naval aviators first to cross Atlantic."

Secretary Daniels said today no definite plans for further trans-oceanic flights had been made. He explained that the first trip was the beginning of a series of experiments in long distance flying and that very probably after defects in naval aircraft brought to light during this flight had been corrected, another squadron of seaplanes would be headed across the Atlantic. Mr. Daniels said he had not decided whether the NC-4 should attempt to fly back to the United States or be "knocked down" at Plymouth and shipped back to America.

**Arouses Enthusiasm.**  
Lisbon, May 27.—[By The Associated Press.]—The achievement of the first trans-Atlantic air flight, with Lisbon as the first European stopping point, has aroused the enthusiasm of the Portuguese as no event has stirred them for many years. When the American seaplane NC-4 came over the Tagus River this evening, the populace, crowding all places of vantage, gave full expression to this enthusiasm by cheers of welcome, the booming of guns and the ringing of bells.

For days the people of Lisbon had been awaiting the completion of this momentous voyage over the Atlantic and the disappointment from day to day because of the inability of Commander Read's craft to continue its flight from the Azores because of unfavorable weather conditions yet each day they looked hopefully towards the west for the coming of the Americans.

Now they are able to say that they never doubted that the NC-4 would wing its way across the in-

tervening eight hundred miles of water.

Early in the day word was flashed that the NC-4 had started and at intervals there were bulletins of the progress made. The whole city was in a festive mood during the latter hours of the day, virtually all business was abandoned by those who crowded everywhere to witness the arrival. Guided by skillful hands the American plane which had covered the distance between the protecting destroyers along the route with clock-like regularity swept in over Lisbon and settled down gracefully near the Cruiser Rochester.

The NC-1, NC-3 and NC-4 started from Rockaway Point, N. Y., on May 8 on the preliminary leg of their flight across the Atlantic. The NC-1 and NC-3 made a continuous flight to Halifax. The NC-4 however encountered engine trouble and was forced to alight on the sea off Chatham, Mass. It was towed into the harbor and repaired.

On May 10 the NC-4 arrived at Halifax. The next day it continued to Trepassy, where it joined the NC-1 and NC-3 which had arrived there May 10.

The three seaplanes left Trepassy May 16 and the NC-4 arrived at Horta, in the Azores, the next day, having been in the air 13 hours. The NC-1 lost her way in a fog and her crew was picked up by a Greek steamer and taken to the Azores, the plane being lost. The NC-3, after losing her bearings, alighted on the sea and 52 hours later entered the harbor of Ponta Del Gada, Azores under her own power. She was so badly battered by the seas she encountered, however, that she was retired from the contest. In charge of the NC-4 are Lieut. Commander Albert Cushing Read, and five companions.

From Ponta Del Gada to Lisbon is approximately 785 miles.

### DEATH OF LAFAYETTE L. CARSON

Word has been received by relatives, that Lafayette L. Carson, died at St. Louis Mo., Saturday, May 24th, and was buried Monday, May 26th.

Mr. Carson was formerly well known in this city, and was at one time chief of the fire department here.

He was born Jan. 10, 1839, and was therefore 80 years, 4 months and 14 days old at the time of his death. He was a bricklayer by trade.

He had been a resident of St. Louis for many years. He leaves to mourn his loss, his widow, Martha E. Carson; a sister, Mrs. S. Overmire, of Minneapolis, Minn.; two brothers, D. C., and W. M. Carson of this city; besides nieces and nephews in this and other cities.

## FORMER SOLDIERS TESTIFY FOR FORD

MT. CLEMENS, Mich., May 27.—Thirteen former soldiers took the witness stand today to testify for Henry Ford in his \$1,000,000 libel suit against the Chicago Daily Tribune in Judge Tucker's court today.

Their testimony was all in refutation of charges made in the body of the alleged libelous editorial headed "Ford is an Anarchist." The editorial stated Mr. Ford would not pay his employees who went with the national guard to the Mexican border, would not care for their dependants, nor hold their positions open for them until they returned.

The plaintiff admits that he did not pay salaries of his men while absent, but denies that he deserted their dependants and asserts that the position of the guardsmen were held open just as positions were held for any other employees who left the factory for causes beyond their control.

Those who testified today were reinstated in their old positions or better ones without discrimination when they returned.

According to Walter P. Johnson, one of the witnesses, Mr. Ford sent an emissary to look up Ford employees in the guard to reassure them that the editorial statement that their jobs would not be held for them was untrue. Sergeant Jacob D. Bunting, who was still taking hospital treatment for a wound received in France testified that an agent of Mr. Ford's had offered financial help to his mother and father, but that it was not needed. Bunting said he had a memorandum that his old position at the factory would be open to him when he returned.

## FEW LEGISLATORS ON HAND FOR SESSION

SPRINGFIELD, Ill., May 27.—Only a few members of the legislature were on hand tonight for the session of both houses tomorrow morning. Adjournment yesterday was occasioned by the parade of the Prairie division troops in Chicago today.

Speaker Shanahan and Lieutenant Governor Oglesby have sent urgent telegrams to assemblymen asking them to be present Wednesday morning because of the volume of legislative business and the shortness of the time before sine die adjournment.

Some doubt was expressed tonight as to whether a quorum would be here tomorrow.

## ANTI-SUFFS PILING UP SLIGHT MAJORITY

DALLAS, Texas, May 27.—Belated returns coming in today from Saturday's constitutional amendment election following canvass of the vote by various counties swept away a slight majority for woman suffrage and produced a majority of 5,640 against the measure.

Figures from 197 out of 286 organized counties give:  
For suffrage ..... 89,715  
Against ..... 95,355  
For prohibition ..... 96,425  
Against ..... 84,930

## SPECIAL COMMITTEE DRAFTING TREATIES

PARIS, May 27.—[By The Associated Press.]—Acting on instructions from the council of four a special committee of experts is drafting a series of treaties with the newly created states designed to protect minorities and particularly protect the Jews against discriminations of race, language and religion leading to disorders, riots and programs.

One of these treaties with Poland has been completed; others with Rumania, Czechoslovakia, Yugoslavia and Ukraine are being prepared.

## TO URGE DELAY IN ENFORCING LIMIT

BERLIN, Monday May 26.—[By The Associated Press.]—The German reply to the allied peace terms will agree that the German army shall be 100,000 men on a peace footing, but will urge that this limit be not enforced until conditions are thoroughly stabilized.

Germany will negotiate on this basis, but will demand the right to maintain an adequate force during the transition period which it is said, she is bound to pass thru at the conclusion of peace.

The reply will also point out that the borders of Germany after the ratification of the peace treaty will continue in a fluid condition making adequate control by means of frontier patrols necessary. On this score Germany will request the right to keep a sufficient force mobilized, unless the allies will assume responsibility for maintaining order on all newly created frontiers or on such as are menaced if they remain intact.

## THOUSAND ILL OF TYPHUS IN POLAND

PARIS, May 27.—(By The Associated Press.)—One thousand persons in Poland are ill of typhus, according to advices received by the supreme economic council. Typhus is increasing in Poland and is epidemic. It is epidemic in Hungary and a number of other countries in south-eastern Europe.

The spread of the plague in other parts of Europe is feared during the coming winter, cold being more favorable for its propaganda than warmth.

## STATE REVERSAL WAS TEMPORARY

PARIS, May 27.—(By The Associated Press.)—Dispatches received in Paris today announce that the reversal suffered by the forces of Admiral Kolchak, the anti-Bolshevik commander in Russia was only temporary and that Kolchak's armies again are advancing against the Bolshevik who are falling back on the Volga line.

A dispatch from Paris Monday reported Kolchak as having met with heavy opposition near Samara and being compelled to fall back along the railroad toward Ufa.

## ALEXANDER CHURCH SUCCEEDS IN DRIVE

Congregation of M. E. Church Goes Over the Top in Centenary Drive—Fifth on Honor Roll for District—Other News Notes.

Alexander, May 27.—The Alexander M. E. church went over the top in the Centenary drive in less than five days' work. Rev. J. A. Betcher, the pastor, inaugurated the campaign on last Tuesday and before Saturday night was able to make the announcement that the goal had been reached and passed. The quota was \$3,900 and this amount was exceeded by about \$750. The Alexander church is thus fifth on the honor roll for Jacksonville district. Rev. Mr. Betcher is the pastor of the M. E. church at Island Grove and completed the work there before undertaking the campaign at Alexander.

Miss Hester Andrews of Ashland, who has been visiting friends at Alexander for the past several days, has returned to her home.

Miss Katherine Kaiser is spending a few days with friends in Jacksonville.

Mrs. Rinda Harris was a Springfield visitor Tuesday.

Claude Keenan and daughter, Miss Rachel, returned Sunday from a visit with Mr. Keenan's brother, Wilbur Keenan, in Bismark, Ill. They were accompanied home by the latter's son and daughter, Emma and Reed Keenan, who will make an extended visit in Alexander.

## SPECIAL SALE OF SLIP OVER SWEATERS, THURSDAY AT HERMAN'S.

A WINNING PICTURE AT LUTTRELL'S THURSDAY

"The Midnight Patrol" will be shown at Luttrell's Majestic Theatre on Thursday. This is "Select Pictures" great special attraction concerning the underworld life in the Chinese section of a large western city. It was produced by Thomas H. Ince.

Wu Fang, a notorious Chinese is plotting with Jim Murdock, a corrupt politician, to keep the police from interfering on a night when a big shipment of opium is expected. The only man they fear is Terrace Shannon, sergeant of the Chinese vice squad. In order to keep Shannon from conducting a raid, Murdock issues orders to have Patsy O'Connell held captive.

Your style, size and price summer hats can be secured today of FRANK BYRNS Hat Store.

Mrs. R. H. Swife of Belen, New Mexico who has been visiting her sisters, Mrs. William Hayes of Strawtown; Mrs. W. F. Timmerman, 86 North Main street; Mrs. S. E. Marshall, 502 East College street, left for Danville, Ill., Tuesday morning over the Wabash to visit her niece, Mrs. J. E. McGinnis, from there she will go to Chicago. Before returning to Belen, Mr. Swife is a prominent contractor and also has large interest in oil fields at Wichita Falls, Texas. The sisters have not met for 25 years and the visit was a pleasure thoroughly enjoyed by all.

## LITTLE SWANS AT NICHOLS PARK

The mother swan is strutting about with four babies very proud of them indeed. Superintendent Hopper has corralled the family in a pen partly in the water and partly out and situated near the refreshment pavilion. The little creatures were destroyed last year by muskrats or turtles and the intention this year is to keep and rear them all right.

N. J. Reitenmeier, an experienced auto salesman, both in factory and outside work, has taken a position with Howard Zahn and will make Jacksonville and nearby territory.

# Sale of "VIKO" Aluminum

See the Big Window Display

We are placing on sale, at special prices, a consignment of VIKO ALUMINUM WARE, which we have just received. This experience has given them a complete understanding of VIKO have been making aluminum ware for twenty-five years. There is evidence of this understanding in each article of VIKO ware included in this sale. We mention a few of the special features.

Removable Handles—If, accidentally, the handles of percolators are burned, they may readily and easily be replaced by anyone with an ordinary screw driver.

Durable Welds—All welded parts are attached with pure aluminum and are non-porous, therefore unbreakable. They can't break off as the metal is too hard and tough.

Special Notched Ears—All ears, handles and balls are made of extra quality tinned steel. Aluminum would become too hot. The notched ears hold the ball in handy positions and prevent it from resting on the sides of the utensil and becoming too hot to handle.

## MEDAL AWARDED TO LATE EARL SOOY

French Government Confers Croix de Guerre Upon Morgan County Man, "Missing in Action"—Announcement Made at Illinois College Chapel Exercises.

It was announced Tuesday morning at the chapel exercises at Illinois college that a Morgan county man has been awarded the Croix de Guerre by the French government. The soldier thus honored is Earl Sooy, son of Mr. and Mrs. George Sooy of South Kosciusko street, who since early in October has been carried on the casualty lists of the American Expeditionary forces as "missing in action." The young man was a student at Illinois college before enlistment in the army service, and President Rammeikamp read before the students Tuesday morning the French general's order conferring the decoration. Following the announcement the students stood for a moment in silence as a token of respect to their former fellow student.

Earl Sooy was one of the first of the Illinois college students to enlist, and was on the firing line early last year. He had part in many of the important engagements and on a day in the latter part of October while in an en-

counter with the enemy his comrades saw him fall into a stream. No trace of him has been found and it is the supposition that he was unconscious when he fell into the stream and was thus drowned. Young Sooy was a member of the present senior class and was one of the most popular young people at the college.

Another member of this year's graduating class also died during the war, Fred Williams, whose death occurred while an instructor in the S. A. T. C. unit at the Lewis Institute, Chicago. The French decoration has been forwarded by the U. S. government to the parents of the young soldier, together with a copy of the citation and order of the French commander. The citation reads as follows:

General Headquarters, French Army of the East. With the approbation of the commander-in-chief of the American Expeditionary Forces in France, commander-in-chief of the French army of the East, cited in the order of the regiment "Corporal Earl Sooy, Co. E, Second Engineers, American Army." At St. Etienne-Arnes, on Oct. 9 and 10, 1918, took command of his section, during the absence of his sergeant, and with sang-froid and courage exposed himself to artillery and machine-gun fire, in order to maintain the liaison with the unit on his left.

General Headquarters, Feb. 2, 1919. The Marshal, Commander-in-chief of the French Army of the East.

By Order of the Major General. (signed) Attend Victory meeting, Centenary church, Wednesday evening.

## Funerals

Whorton. Funeral services for William T. Whorton were held at the Chapel 323 West State street at 10 o'clock Tuesday morning in charge of the Rev. M. L. Pontius, pastor of Central Christian church. Music was furnished by Miss Cora Graham, Mrs. Harry Hoffmann, T. H. Rapp and Earl Richardson. The remains were taken on the morning Burlington train to Concord where burial was made in Concord cemetery.

## Social Events

Ella Ewing Circle Held Meeting. The Ella Ewing Sewing Circle of the Central Christian church held its regular monthly meeting Tuesday night at the home of Miss Katie Clarkson, on West College avenue. The devotionals were led by Miss Augusta Carlson. Talks were made as follows: The Women of India, Miss Rowena Sinclair; on China, Miss Lucille Crawford; on Women Workers in the Orient was given by Miss Marie Finney. The district convention report was made by Mrs. Peck. Following these exercises a social hour was enjoyed during which refreshments were served.

## Orleans Country Club Met With Mrs. Cleary.

The Orleans Country Club met with Mrs. William Cleary Tuesday afternoon. There was a good attendance of members and three visitors were present. After the business session a program was given. Mrs. Tindall made a report on the district federation meeting at Beardstown. Mrs. Dobyns gave a paper on "The Study of Flowers." Mrs. Graff was to have presented a paper on Butterflies but was unable to be present. A domestic committee was appointed to arrange for the July picnic. Following the program and business session refreshments were served. The next meeting will be held with Mrs. Curry, June 10.

## Enjoyed Dance At Nicholas Park.

More than 200 young people attended a dance at Nicholas park Monday evening, given under direction of Leonard Potter and Louis Weber. Randall's five-piece orchestra furnished the music and the hours from 8:30 until 12 o'clock were spent in a happy manner. Among the out of town people present were Miss Mildred Wright, Murrayville; Miss Vivian Richardson and Vernon Richardson, Edinburgh; Miss Irene McCullough, Winchester; Sherman Coultas, Lynnville.

## Entertained at Children's Party.

Mrs. Otis Hoffman entertained a number of children recently at a party in honor of her nephew, Armond Train. The house was prettily decorated with flowers and ferns and American flags were also much in evidence. The table decoration was especially handsome and consisted of a miniature May pole in the center, from which extended ribbons to the four corners of the table, terminating in a bow. The young host was the recipient of a number of gifts. The company included Eleanor Woods, Bobbyp Weirich, Emma Bradley, Margaret Caldwell, Helen Dinnie, Elizabeth Sargent, Miller Cook, Alden Simms, Hensen Pontius, Leonard Magill, Darwin Bald, Millard Boston, Truxton Timmons, Orville Patton, Armond Train.

## ADDITIONAL TRAVEL PAY TO BE ALLOWED

Government Will Make Allowances to Discharged Soldiers—Blanks at Y. M. C. A.

That the government intends to do its best by the men who served their country in the great world war is evidenced by the fact that plans have been made to give discharged soldiers additional travel allowances.

The director of finance has practically completed the payment of the \$60 bonus to nearly a million and a half soldiers and

is now taking up the payment of additional travel allowance.

It is the purpose to allow to enlisted men who have been honorably discharged since Nov. 11 five cents per mile to actual bona fide home or residence or place of original muster into service at the option of the soldier.

Blank forms for application for this allowance may be secured from J. S. Finley secretary at the Y. M. C. A. rooms. A certified copy of the discharge certificate submitted for payment of the \$60 bonus will be accepted in lieu of other copy of the original discharge certificate. Any soldier

wishing to investigate this matter further may get all information needed of Mr. Finley at the Y. M. C. A.

## The Ayers National Bank WILL BUY YOUR LIBERTY BONDS AT PAR

On the following conditions:

1. The entire proceeds are to be deposited in our Department for Savings at 3 per cent per annum, payable semi-annually
2. The deposit is to remain intact for one year, at any time after which 25 per cent is subject to withdrawal; the 75 per cent is to remain a second year, after which it is subject to withdrawal.
3. The purchase from any one seller will be limited to \$5,000.

We Make This Proposition Because—

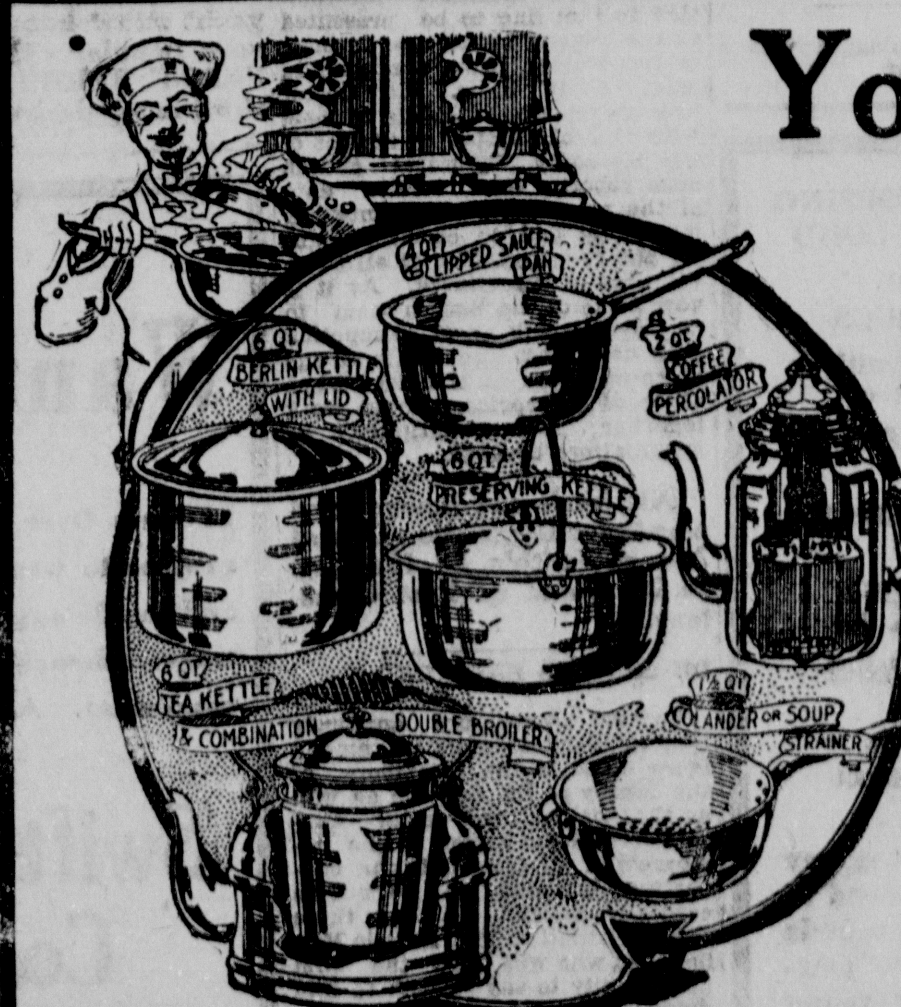

1. We believe that some people are selling their bonds at low prices because they fear a further decrease in price and the eventual loss of part of their savings.
2. We believe that these bonds are intrinsically worth par and are prepared to back up our opinion in this way.
3. We wish a large number of people to know the advantages of our Department for Savings.

The net result of the above operation will be that you will be absolutely sure of receiving par for your bonds and will be in the same position as if you sold the bonds on the market today and redeposited your savings in a savings bank, with the additional advantages that you will receive for your bonds the full price paid for them and avoid a loss of from \$5 to \$6 on every \$100.

G. W. RIMBEY DIED FROM SKULL FRACTURE

Former Morgan County Resident Died in St. Louis from Fracture of Skull in Hold-up.

More facts have been received concerning the death of George W. Rimbe of Roodhouse who died in the City Hospital, St. Louis, as the result of a fracture of the skull sustained when he was held up and robbed in the vicinity of Jefferson Barracks.

On Wednesday May 7, Mr. Rimbe left Roodhouse to go to Iron county, Mo., to look after some farming interests. He had about \$50 with him. He had to wait until morning to take a train out of St. Louis. He was found by a deputy sheriff on May 9 in the vicinity of Jefferson Barracks, suffering from a fractured skull and delirium. He never regained consciousness.

He was taken to the City Hospital where it was found he was in a critical condition. The address of his sister, Miss Halle Rimbe was found in his pocket and she was communicated with and went to St. Louis.

The remains were taken to Greasy Prairie where services were held in Zion church in charge of the Rev. F. T. Peters of Manchester, Wednesday afternoon, May 21.

DECORATION DAY FLOWERS AND EXERCISES

Decoration Day is fast approaching and we all desire to make it what it should be. The old soldiers will not be here long and all that can be done to show them that their services are appreciated should be accomplished. Flowers for decoration are needed in goodly quantities and will be thankfully received at G. A. R. hall. The entrance to this is on South Main street immediately by the door into Sleser's electric store. Please bring them early.

This year the beautiful Grand Army ritual is to be carried out at both Calvary and Diamond Grove cemeteries and it is earnestly desired that all veterans as far as possible attend and all others that there may be a good sized audience. The exercises will not be long as the ritual is short. Automobiles will be provided for all who will attend both veterans and others. Meet on the south side of the square about nine Friday morning. All who can go please be on hand and all who have automobiles they are willing to supply please be there with them.

Road district No. 10 Poll Tax due June 1st. Must be paid to the clerk. All hedge brush on the highway must be burned. John Williamson.

DIVISION CHAIRMEN HAVE BEEN NAMED

Men Selected to Have Charge of Big Parade at Home Coming Celebration July 4 — Altton Band to Come.

That plans are maturing for the big home coming celebration in honor of the soldiers is evidenced by the announcement that division chairmen have been named for the big parade to be held in conjunction with the celebration.

It has not yet been definitely settled just what form the celebration itself will take but it will be one worthy of the city and county and of the men who gave their services to the government to make the world safe for democracy. The division chairmen are:

Mounted Marshalls—Major C. E. McDougall. Military — Capt. Wesley R. James. Lodges and delegations—L. E. Turner. Bands and Orchestra—J. Bart Johnson.

Woman's Clubs—E. V. Bassett. Public schools—H. A. Perrin. Floats and Automobiles—T. C. MacVicar. Parochial schools — D. E. Sweeney. Knights of Columbus—John J. Ferry.

Red Cross and Canteen Girls—Mrs. F. J. Hehl and Mrs. R. C. Slingey. G. A. R. and W. R. C.—Capt. James M. Swales. Central Hospital—Mrs. E. L. Hill.

Drum Corps—Charles DeSilva. Colored Delegation — Hugh Green. Boy Scouts—Harry Walker. Parade Chairman—Frank H. Flower.

The Altton Sentinel has the following relative to the engagement of the White Hussar band of that city by Jacksonville hospital.

Altton Band Will Be Here

A contract was closed today by L. M. Taggart, manager of the White Hussars with Dr. E. L. Hill, managing officer of the Illinois State Insane Hospital at Jacksonville, whereby the Altton band is engaged for the Fourth of July celebration to be held in that city on that date. Jacksonville has arranged a great celebration for this year and the State Hospital is going to assist with the observance of the day with the city. The A. F. of M. band of Jacksonville, has been employed for the occasion by the city and the state institution came to Altton to get their band. The A. F. of M. band, a widely known musical organization and the two bands will supply the music for the day. The White Hussars, 25 members, and A. F. of M. band have played together upon numerous occasions in years past including at the state fair and other places.

The Altton band will go to Jacksonville in the evening of July 3 and will be entertained over night at the State Hospital in order to be in town for the big parade to be held in the forenoon. In the afternoon the White Hussars are scheduled to give a concert in the band stand on the grounds of the state institution.

Special meeting of Jacksonville lodge No. 570, A. F. and A. M. this evening at 7:30. Work.

F. J. Muehlhausen, W. M. E. L. Kinney, Secy.

DR. HARKER GOES TO CHICAGO

Dr. J. R. Harker expected to leave last night for Chicago to attend two important meetings. First he was to have breakfast at 7:45 a. m., at the Union League Club with the survey committee of the board of education to arrange for a survey of all educational institutions or colleges of the Methodist Episcopal church with a view of considering and investigating their needs and endowments and equipments securing all desirable information in that line to be presented to the general conference to meet in Des Moines, Iowa, next year in May. At 10 a. m. the doctor goes to the Hotel LaSalle to meet with the commission on finance of the Methodist Episcopal church hear reports and receive data of the progress of the centenary movement and to consider plans for the re-organization of all benevolences of the church. As it is now some of the boards seem to be overlapping and competing with each other and this is an age of co-operation and unity when all good enterprises should work together and multiplicity of organizations avoided.

All kinds cut flowers and plants for Decoration Day at Alonzo Smith's, So. Main, or at his stand at East Cemetery.

DR. SPOONTS EXPECTED TOMORROW

Several hearts are anxiously beating about this time, among them those of the members of the family of Dr. Spoonsts as well as that of the good doctor himself. He should arrive home tomorrow if all goes well and connections are made and he will be cordially greeted. Among those eagerly awaiting him is little Miss Spoonsts who will have the first opportunity to say "papa" to him directly.

ILLINOIS BANKERS TO TOUR THE STATE

Members of Organization to Make Tour in Special Cars June 2-6 —Group Eight to Meet in This City June 5th.

The Illinois Bankers Association has arranged for special cars which will tour the State, covering its first five group meetings, which will be held June 2-6. The start will be made from Chicago Monday morning, June 2, via the Burlington and the first stop will be at Aurora where the meeting of Group Four will be held. The other meetings are as follows: Group Three at Dixon, June 3; Group One at Rock Island, June 4; Group Eight at Jackson, June 5 and Group five at Pontiac, June 6. The cars will be designated as the "I. B. A. Special" and there will be between thirty five and forty aboard. The party will include Mr. George M. Reynolds, President of the Continental & Commercial National Bank, Chicago, who will address all the meetings the Association officers consisting of Mr. C. H. Ireland of Washburn, President; Mr. L. A. Goddard, President of the State Bank of Chicago, Vice President; Mr. E. A. Hintz Assistant Cashier Peoples Trust and Savings Bank, Chicago, Treasurer and Mr. M. A. Graettinger, Chicago, Secretary, in addition to bank representatives from Chicago, New York and St. Louis.

Out of the Group System have come to banks and bankers in calculable educational and social benefits and the annual group meeting is considered an important factor in association work. It also affords an opportunity for the discussion of local problems, to which a large part of the sessions are devoted. The arrangements are in the hands of the group officers, in co-operation with the local bankers of the entertaining cities, and the latter have provided some novel entertainment features. At Aurora, there will be farm contests in plowing, manure spreading, corn cultivating, milking, etc., to give the bankers an opportunity to demonstrate their skill along agricultural lines. At Rock Island the visitors will be entertained by an automobile trip to the Rock Island Arsenal and Black Hawks' Watch Tower, a beautiful spot overlooking the Rock River Valley and rich in historic associations, where luncheon will be served. The courtesy of the country clubs at the various points will be extended to the visiting bankers and it is supposed that some will find time to indulge in a few rounds of golf.

The "I. B. A. Special" will make a second trip during the week of June 9, taking in the remaining five meetings covering the central and southern part of the state.

FLAGS FOR EVERYONE

George Perbix Recently Celebrated  
Eighty-Ninth Birthday—In-  
teresting Events in Life of  
Pioneer of County Recalled...

A Journal reporter recently paid a visit to the home of Mr. and Mrs. August Brockhouse, three miles southwest of Concord, and ate dinner with the oldest resident of that neighborhood, namely George Perbix, father of Mrs. Brockhouse. Mr. Perbix was born in Germany, May 12, 1830. He came to the U. S. at the age of about 18 years, and sometime later got the "gold fever" and with many others set out for California, via Nicaragua. The trip was a long one, taking six months to go. He was gone five years, returning via Panama. He found some gold, but came back to "old Morgan" to make his fortune.

On March 19th, 1858, he was united in marriage to Miss Dorothy Heiser, a most estimable young lady who made him a splendid wife and helpmeet. They began housekeeping in a small house near the present home and reared a large family.

By dint of hard work and good management they added acre to acre, and farm to farm, until over 1500 acres of good land bore the Perbix name.

Upon the death of Mrs. Perbix August 6th, 1906, a new arrangement had to be made, so the eldest daughter, Mrs. Brockhouse gave up the home she had learned

to love, located about three miles northwest of Concord, and known as the Rice farm, and she and Mr. Brockhouse and their children came and took up their residence with "grandpa" Perbix, and have been a source of consolation and help to him for over twelve years. Some years ago, Mr. Perbix deeded his land to the children, but kept money enough for the "rainy day," and a tidy income. "Grandpa" Perbix takes much comfort with his daily paper and his pipe, for despite his 89 years he takes a lively interest in current events, the present price of land especially. He has lived to see wonderful changes in this country which are too numerous to mention. So many inventions have come into every day use, the telephone for instance which he will answer yet when necessary. He always voted the Democratic ticket until Billy Bryan ran for president. Then, and there, he became a staunch advocate of the "gold standard," and voted for the lamented Wm. McKinley. He is a member and supporter of St. Paul's Lutheran church, some-thing over a mile west of his home.

Nine of the twelve children lived to grow up to be men and women, and marry and start homes of their own. George, Jr., died a few years ago, leaving 8 living and four children dead. The grandchildren living are 26 in number, and 6 great grandchildren are among the descendants. The children living are as follows: Mrs. August Brockhouse, Mrs. Henry Eckhoff, Mrs. Charles Aufdenkamp, north of Chapin, Mrs. J. H. Eilers and Henry Perbix in the Chapin village. Wm. Perbix and Mrs. Chas Oberlate on Joy Prairie. Lewis Perbix of Markham. Three grandsons were in the late war. Edwin Perbix and Edwin Eckhoff went to France and saw very active service. Harold, son of Lewis Perbix was in the service on this side. He is in a local hospital receiving medical attention.

Mr. Perbix is of a jovial disposition and likes to joke with visitors and relatives. He is very generous and liberal, but does not believe in useless expense. He throws on any and all attempts to show him a "big time" on his birthday. Two weeks ago today he said to some of the family when the day was well advanced, "Well I am not going to have any visitors today and no presents. Little did he know what was in store for him, however. A fine cake with 89 candles had been prepared by an expert, and his little granddaughter Anna May, Aufdenkamp, was awarded the honor of presenting it to her grandpa with the best wishes of his children. His son Henry furnished a box of choice cigars, and candy, oranges bananas and chewing gum, given by the Eilers twin girls rounded out the gifts to make him happy on attaining his 89th milestone.

Mr. Perbix had a brother Henry and they lost track of each other. A few years ago a minister from Minnesota happened in and said he had people by the name of Perbix in his congregation. Finally a son of the lost brother came to Peoria on business and came on to Chapin to get acquainted with his uncle George. Mr. Perbix went to Minnesota after the death of his brother and saw the younger relatives. Mrs. Brockhouse went along and they had a very enjoyable visit.

Mr. Perbix "next neighbors" are Wm. F. Nergenhah, S. M. Henderson, John E. Alderson, and Theodore Tappenbeck. They in company with many others hope to see their aged neighbor round out the century. In concluding this sketch the reporter wishes to say that Mrs. Brockhouse has an excellent cook. The dinner was O. K. in every respect, especially the "biscuits and chicken."

### DEMPEY GOES THRU VIGOROUS WORKOUT

Handlers Send Challenger Thru Paces in Cool Hours of the Morning—Board Answers Protest.

Toledo, O., May 27.—Blistering rays of the sun beat down on Jack Dempsey's training camp today and caused his handlers to again send him thru his paces during the cool hours of the morning. It was so hot at the challenger's camp on the shores of Maumee Bay this afternoon that Dempsey and his trainers took a swim in an attempt to get cooled off.

Trainer DeForest sent Dempsey thru his first vigorous workout. The challenger boxed six rounds, four furious sessions with Bill Tate and two with Terry Keller, a light heavy weight. Keller boxed the second and today round to give Tate a rest. Dempsey was on top of Tate from the start and the Giant Negro received a punching that he did not anticipate. One right upper cut nearly lifted him off his feet. After the boxing Dempsey shadow boxed for 15 minutes and then punched the bag until the rope broke.

Jack Kearns, manager of Dempsey plans to gradually switch his protege's hours of working so that he will become hardened to the heat of mid-day. The army, navy and civilian board of boxing control numbering among its members several governors, army and naval officers and representative citizens today answered the protest of the federated churches of Ohio against the match. The letter was addressed to Edward R. Wright, secretary of the organization at Cleveland.

"The government made boxing an integral part of the training of soldiers for war which resulted in a great revival of the sport," the letter reads in part. "For every single person opposed to boxing in Ohio and in all parts of America we are convinced that there are a thousand devoted followers of the sport to whom the proposed match will be a source of innocent and pleasurable entertainment and we cannot see any reason why it should be denied them any more than we could see the justice of its following with any of the religious entertainments which you frequently organize in conjunction with

your church.  
"If you will pardon our saying so, your opposition is a half a century behind the times. We consider that those who are opposing this match are incurring great responsibility, as such opposition can only react to the detriment of religion in the minds of millions of men who can see no harm in two exponents of the highest skill in a given sport, engaging in a contest for supremacy. We have read the rules of the Toledo boxing commission governing public contests in that city, and we have no hesitation in saying that they are a model of what such rules should be."

Philadelphia, 4; Cincinnati, 1.  
Philadelphia, May 27.—Cravath's drive over the right field wall in the eighth with two men on bases gave Philadelphia the second game of the series with Cincinnati today 4 to 1. The score:

The mileage guarantee of Kelly-Springfield Tires represents, not the most you could hope for, but the least you could expect.

## Kelly-Springfield TIRES and INNER TUBES

Kelly-Springfield Inner Tubes are tough and durable. You could use one for a tow line if you wanted to. It wouldn't fail as a tow line, and it wouldn't even spoil it as a tube.

The new price is now in effect on all Tires and Tubes—a saving of about 15 per cent.

I also carry a full line of auto accessories.

**ANDERSON TELLS OF  
BIG CHANGE**

**Wife So Nervous Couldn't Hold**  
up of Coffee Without Spilling  
It—Praises Tanlac.

"My wife's wonderful improve-  
ment is the talk of all of our  
neighbors," said G. Anderson who  
lives at 2550 Norton Ave., Kan-  
sas City, Missouri, in conversa-  
tion with a Tanlac representative  
a few days ago.

"When she began taking Tan-  
lac," he continued, "she only  
weighed one hundred and ten  
pounds and hardly ever enjoyed a  
well day, but now she weighs one  
hundred and forty-seven and is  
enjoying better health than she  
has in ten years. For years her  
stomach had been in such a bad  
condition that she couldn't eat  
without bloating all up with gas  
and suffering terribly with pain  
and palpitation of the heart. She  
was badly constipated and had  
headaches and pains in the back  
every day. Her appetite was very  
poor and what she did eat seem-  
ed to do her no good as she was  
losing weight and strength. She  
also had an attack of the 'flu' and  
this left her in a much worse  
condition than ever.

"She had tried every kind of  
stomach medicine we heard of,  
but she kept getting worse until  
a lady friend of hers, who had  
gotten well by taking Tanlac, per-  
suaded her to try it. Before she  
had finished the first bottle she  
had a good appetite and was able  
to digest her food better. Now  
she can eat just anything and  
says she never feels a sign of  
gas, bloating or pain afterwards.  
She was so nervous before taking  
Tanalac that she couldn't carry a  
load of coffee without spilling it  
and would sometimes drop the  
cup. But now her nerves are in  
good shape and she sleeps every  
night just like a child. Her head-  
aches and backache have left her  
and her housework seems to be  
easy for her. If anybody had told  
me Tanlac could do so much for  
my wife I wouldn't have believed  
them. It certainly is the finest  
medicine made and I am glad of  
the opportunity to tell the public  
about it."

Tanalac is sold in Jacksonville  
by Coover & Shreve; in Merceda  
by Mr. R. B. Field; in Murray-  
ville by M. E. Gilbert; in Waver-  
ly by the Wyle Drug Co.—Adv.

**WOMAN'S COLLEGE**  
The closing chapter services of  
academic year was held Thursday  
morning. Examinations com-  
menced on Wednesday.  
After prayer by Vice-President  
Nyman, President Harker an-  
nounced the addition during the  
year of \$15,000 to the endowment  
fund. This brings the total as-  
sets of the college to \$680,400.  
The annuity funds total \$37,400,  
which are to be taken into ac-  
count when computing the total  
assets. After stating that the  
educational commission recom-  
mends \$10,000 additional for  
endowment and \$20,000 addi-  
tional for physical equipment, Dr.  
Harker asked the student body if  
it could be done. With great  
enthusiasm the students answer-  
ed, "sure, it can be done."  
The winners of first and second  
prizes in the Wesley Mathers Ex-  
pression contest were called to  
the platform. Dr. Harker pre-  
sented Miss Lillian Bollenback  
with a check for \$17.00 and Miss  
Mary Forsythe with a check for  
\$8.00.

Miss Gladys Goodale, retiring  
president of the Athletic Associa-  
tion, and Miss Vera Wardner, the  
new president, were then called  
to the platform and a statement  
made concerning the athletic hon-  
ors to be awarded. President  
Harker expressed his satisfaction  
in the matter of having the hon-  
ors, because the students award-  
ed athletic honors must have an  
average grade of "B" and no  
grade below "C," and have done  
faithful and creditable work in  
the physical department.

Arm bands representing five  
points of credit were awarded to  
Gladys Goodale, Hildred Ash-  
wood, Hazel Dell, Louise Reed,  
Margaret Willis and Vera Ward-  
ner. Numerals indicating credit  
of ten points were awarded to  
Elizabeth Bothwell, Veria  
Black, 20, and Eva Mae Burdge,  
22. Sals representing fifteen  
points of credit were awarded  
Constance Hasenstab, and Vinita  
Miller.

To Miss Constance Hasenstab  
was awarded the ring for the  
most athletic points of the year.  
She was also honored by receiv-  
ing in behalf of the freshman  
class the seal representing the  
basket ball championship.

After words of congratulation  
and goodbye by President Har-  
ker, the seniors in caps and gowns  
withdrew from the chapel, then,  
with a statement, "the king is  
dead, long live the king." Dr.  
Harker welcomed the other class-  
es to take advanced seats. The  
juniors took the places of the  
seniors and each class moved for-  
ward.

The singing of the college  
song, "By Statley Elms Surround-  
ed," Our Dear Old College  
Stands," concluded the impressive  
chapel service.

BOY BURGLARS ROB WHITE HALL STORE

Are Caught in the Depredation—Are Sent to St. Charles School—Brief News Notes.

White Hall, Ill., May 27.—Three Alton boys, named Thomas House, Ray Sanders and Pearl Quisenberry, aged respectively 14, 16 and 17 years, were ordered committed to the school for boys at St. Charles, Illinois, and Percy Hulett, a resident of White Hall, was held to the grand jury on the charge of having entered the store of Griswold & Co., last night in the east part of town. Harry Johnson, driver of an auto truck for the store, returned from a trip to the country about 10 p. m., and found the three boys behind the counter. They surrendered at the point of Johnson's revolver, and were turned over to Night Policeman Clouder. On examination in the city prison the boys implicated one Percy Hulett as the instigator of their attempted robbery, and Hulett was found asleep at his home in the neighborhood of the store. All were given a preliminary this afternoon under State's Attorney Bowman with the result as above mentioned. Hulett has a wife. It is said that he formerly resided at Alton, and his business here has been junking and following lines of least resistance. The boys have been before the city court at Alton, and it is said that they had only recently escaped a jail sentence pending good behavior. The Alton police advised the local authorities that the return of the boys to Alton is not desired. The boys effected entrance thru a window at the southeast corner of the store. They say they had been in the store about five minutes when apprehended. An ex-

tra hat found in the store was thought by the police to indicate a fifth party in the deal, but all efforts to trace the theory failed to reveal another party. Simon H. Vanderheyden, a local stock dealer, is at Montgomery, Alabama, in pursuit of the Dodge automobile, practically new, that was stolen from his home premises here early on the morning of the 11th inst. He has been in the Alabama city since Sunday, and advises that he has found trace of the man thought to be the one wanted, but has found no trace of the car. The name of the man is given as Claude Dickenson, well known in this section.

Advice from East St. Louis today stated that Theron Whiteside is held by the police there for identification. He had been away from home since last Friday, and his father, Charles Whiteside, thought he was at the farm home, White Hall, until the receipt of the telegram from East St. Louis. The boy is 15 years of age, and is a member of the local troop of Boy Scouts. A desire for experience is assigned as the only reason for his pilgrimage. The father promptly sent funds for his return trip.

Dr. E. L. Crouch, having returned from the military service has opened an office in the Ayers Bank Building, Room 604. Practice limited to Internal Medicine. Phone 435. Residence Colonial Inn. Office hours 9 to 12 m., and 1 to 5 p. m. and by appointment.

FORMER VIRGINIA RESIDENT DIES

Death of Mrs. Mabel Anderson Occurred at Oakford, Ill.—Eighth Grade Graduating Exercises for County Schools—Other Virginia News.

Virginia, May 26.—Funeral services for the late Mrs. Mabel Tomlinson Anderson were held Monday afternoon at 2:30 o'clock from the Church of Christ, in charge of Rev. C. E. French. Interment was made in Walnut Ridge cemetery. The death of Mrs. Anderson occurred at the family home in Oakford, Ill., on May 24, after an illness of five months from tuberculosis. The deceased was born in Virginia September 3, 1892, and was educated in the public school here, graduating from the high school in the class of 1911. In 1912 she was united in marriage to Howard Anderson. They were the parents of three children, Wilbur Eugene, aged 6, Robert H., aged 4, and Helen Irene, aged 2 years. The children, together with the husband and aged grandmother survive.

The remains were brought to Virginia Sunday evening on the 6:32 C. P. & St. L. train, and were conveyed to the home of Mr. and Mrs. A. L. Anderson.

Mrs. Ella Eckhard and Mrs. Bernice Daniels of Springfield were Sunday visitors at the home of R. B. Long in this city.

Erland Erickson, the little son of Mr. and Mrs. Carl Erickson, returned home Sunday from a Springfield hospital, where he recently underwent an operation. Charles Savage of this city is a patient at St. John's hospital.

The eighth grade graduating exercises of the county rural schools was held Saturday, May 24, at the Tureman opera house. Forty-eight pupils received diplomas. A pleasing literary and musical program was given, and the address was made by Supt. Russell of Beardstown.

Angus Taylor, formerly of this vicinity, passed away at his late home in Springfield, Saturday, May 24. Death was due to apoplexy. Aside from his immediate family he is survived by the following brothers and sister, R. C. Taylor, Mrs. W. T. Sudbrink, Miss Alice Taylor, Mrs. Henry Campbell, all of this city; Arch Taylor of Taylorville; Jacob Taylor of Jacksonville, and Duncan Taylor of Hickory precinct. Funeral arrangements are not known here.

Road District 11 poll tax is due and must be paid by June 1st to clerk or Murrayville bank.

SOUGHT TO DEFEND GERMAN PEOPLE.

Berlin, May 26.—(Via London)—Count von Brockdorff-Rantzau, head of the German peace delegation in an interview with the Versailles correspondent, Vorwaerts said he went to Versailles with the firm intention of defending what remained for the welfare and happiness of the German people but that even this remnant has been destroyed by the peace treaty.

The count said it as a question, therefore, whether it could not be better saved by refusing to sign than by submitting, as was desired by the independent Socialists.

SAYS CASE WAS "FRAMED."

Peoria, May 26.—While admitting tonight that federal drug inspectors had entered his home Thursday and taken a quantity of morphine from a trunk, assistant United States Attorney John Dougherty tonight declared that the affair was a "framed case" to hurt him politically. He said that the drug, which was valued at \$200, was placed in his house by some one without his knowledge. The inspectors came from Chicago.

Rev. W. H. Marbach of Jacksonville to Make Address at M. E. Church Friday Afternoon—Miss Mary McGhee to Have Class of Music Pupils—Other Murrayville Notes.

Murrayville, May 27.—Decorative Day services will be held in the M. E. church Friday afternoon at 2:30 o'clock. The address will be made by Rev. W. H. Marbach, pastor of State Street Presbyterian church of Jacksonville.

Commencement exercises of our high school will be held in the M. E. church Friday evening, June 6th, at 8:30 o'clock.

Miss Mary McGhee of Jacksonville spent Saturday evening with her parents, Rev. and Mrs. W. H. McGhee. Miss McGhee will teach music here this summer and will also have classes at several other places. She will have a studio at Illinois Woman's College this winter, teaching a large class there. Her many friends here rejoice with her over her success, as the college seldom employ one of their students without further training.

The little daughter of Mr. and Mrs. J. W. Gunn is ill with scarlet fever since Friday, but is doing nicely.

Miss Cecile Cunningham who is attending school at Bloomington, is home for a short visit.

Mrs. Margaret Hanback went to Alexander Saturday to visit relatives, and to be present at the graduation of her niece, Miss Esther Black, who will graduate from the New Berlin high school Thursday, May 29th.

Robert Walker was a business visitor in Roodhouse Monday. There will be a precinct S. S. convention here Sunday afternoon June 1st in the M. E. church at 2:30. A program is arranged for and everybody is cordially invited to come.

H. B. Hunn attended the B. P. O. of Elks in Springfield Monday night.

James Rea returned home Monday from a week's visit with his daughter, Mrs. Bryan Sheppard and family of near Virden.

The seniors of the high school will give a play entitled "The New Co-Ed" Thursday evening, June 5th, in Carlson's hall.

Mr. and Mrs. T. G. Beadle and children and Mrs. Chas. Greenwalt were Sunday guests of the former's sister, Mrs. John Irlam and family.

Mrs. C. T. Daniel is visiting relatives in Glenarm, this week. Mr. and Mrs. J. K. Cunningham Miss Cecile Cunningham, Little Pauline Barton and Rev. and Mrs. A. M. Cunningham were guests at dinner Saturday of Mr. and Mrs. H. E. Million.

The Ladies Aid society will meet Thursday afternoon in the church basement. A good attendance is desired as the date will be sent for our annual picnic.

Mrs. Annie Still received a telegram Tuesday announcing the death of her aunt, Mrs. Kate Smith who died suddenly in St. Louis.

Mrs. C. T. Daniel spent Wednesday with relatives in Lincoln.

C. A. Gunn and S. B. Jones were business visitors in Peoria Tuesday.

Mr. and Mrs. Otto Armitage moved to Alsey last week.

We are glad to report Murrayville M. E. church over the top in the Centenary drive. Our quota being \$9,305 for five years, and the amount raised was \$9,445. This seemed a little heavy for our church, but Murrayville never fails.

TO RECOGNIZE GOVERNMENTS

Paris, May 26.—The council of four has decided conditionally to recognize the anti-Bolshevik governments of Admiral Kolchak and General Denekine according to Reuter's agency here.

John Erickson and daughter of Alexander precinct spent Tuesday in the city.

WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N. J.—"For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound—that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills."—Mrs. MARTHA SPANIELAWSKI, 524 Penn St., Perth Amboy, N. J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

U. S. BATTLESHIP PUTS INTO PORT FOR REPAIRS

PONA DEL GABA, May 26.—(By the Associated Press)—The United States battleship New Jersey which sailed from Brest on May 20 with troops aboard, put in here today because of engine trouble.

It is not expected that the battleship will be delayed long as the engine trouble is announced to be not serious.

The New Jersey together with the Rotterdam, Finland and Mobile left Brest May 20 carrying more than twenty thousand troops. This completed the embarkation of the 80th division. It is possible some of the 36th division are aboard these ships.

The 80th division consists of men from Virginia, West Virginia and Pennsylvania the 26th division is composed of Texas and Oklahoma troops.
